Preliminary Programme
Programme 11th International Biennial EUSARF Conference, Groningen, September 22-25, 2010

Wednesday, 22 September 2010

Arrival and registration

Location: Academy Building University of Groningen, Broerstraat 5, 9712 CP, Groningen
Time: 15.00h – 18.00h

Plenary programme

Opening ceremony

Moderator: Hans Grietens, president European Scientific Association on Residential and Foster care for children and adolescents (EUSARF)
Room: Auditorium of the Academia Building University of Groningen
Time: 18.00h – 18.45h
Contributions:
- Hans Grietens – Professor University of Groningen, the Netherlands
  Welcome address on behalf of EUSARF
- Max van den Berg – Royal Commissionar Province of Groningen, the Netherlands
  Welcome address on behalf of the Province of Groningen
- Peter Rehwinkel – Major Municipality of Groningen, the Netherlands
  Welcome address on behalf of the Municipality of Groningen
- Erik Knorth – Professor University of Groningen, the Netherlands
  EUSARF in conference; two decades of inspiration and research

Welcome cocktail

Moderator: Koos Duppen, Vice-President University of Groningen, the Netherlands
Room: Reception Room Academy Building University of Groningen
Time: 19.00h – 20.00h
Reception offered by the University of Groningen, the Province of Groningen and the Municipality of Groningen
Contributions:
- Koos Duppen – Professor and Vice-President University of Groningen, the Netherlands
  Welcome address on behalf of the University of Groningen
- Ensemble Groningen Academy of Music
  Music
Thursday, 23 September 2010

Arrival and registration

Location: Martiniplaza Conference Centre, Leonard Springerlaan 2, 9727 KB Groningen
Time: 8.00h – 9.15h

Plenary programme

Plenary session I: Inside out
Moderator: Erik Knorth, Vice-President EUSARF
Room: Theatre Hall, Martiniplaza Conference Centre
Time: 9.15h – 10.30h
Contributions:

- **Erik Knorth – Professor University of Groningen, the Netherlands**
  Welcome on behalf of the EUSARF-2010 Organizing Committee

- **Ensemble Groningen Academy of Music**
  Music

- **Wied Ruijssenaars – Professor University of Groningen, the Netherlands; Acting Dean Faculty of Behavioural and Social Sciences**
  Inside out: Opening address

- **Ian Sinclair – Professor University of York, England, UK**
  Inside the black box: What makes for success in care?

Coffee break
Room: Reception room, Martiniplaza Conference Centre
Time: 10.30h – 11.00h
Plenary session II: Towards ‘inside’ research in child and family welfare

Moderator: Paul Durning, Vice-President EUSARF

Room: Theatre Hall, Martiniplaza Conference Centre

Time: 11.00h – 12.00h

Contributions:

- Marianne Berry – Professor University of Kansas, USA
  Inside the intervention: Evidence-based building blocks of effective services

- Nina Biehal – Professor University of York, England, UK
  Looking inside interventions for young people with behaviour problems

Plenary session III: Granting of EUSARF Awards

Moderator: Hans Grietens, President EUSARF

Room: Theatre Hall, Martiniplaza Conference Centre

Time: 12.00h – 12.30h

Contributions:

- Harriet Ward – Professor Loughborough University, England, UK; member jury
  Laudatio to the winner of the ‘EUSARF Life Time Achievements Award 2010’

- Reaction of the winner

- Paul Durning – Professor Université Paris Ouest Nanterre La Defense, France; member jury
  Laudatio to the winner of the ‘EUSARF Achievements Award 2010’

- Reaction of the winner

Lunch break

Room: Lunch and dinner room, Martiniplaza Conference Centre

Time: 12.30h – 14.00h
Symposia, Free Paper Sessions and Workshops

Symposium Session 1: Evidence based practice in the Netherlands – NJi Symposium (I)
Moderator: Nelleke Groenewegen, Director Netherlands Youth Institute (NJi), the Netherlands
Room 14
Time: 14.00h – 15.30h
Contributions:
- Nelleke Groenewegen - Netherlands Youth Institute, the Netherlands
  The Netherlands Youth Institute (NJi): its work and function
- Cora Bartelink & Ingrid ten Berge - Netherlands Youth Institute (NJi), the Netherlands
  What works in the assessment and decision-making process with children and their families?
- Karen van Rooijen-Mutsaers - Netherlands Youth Institute (NJi), the Netherlands; Leonieke Boendermaker - University of Applied Sciences Amsterdam, University of Groningen, the Netherlands
  Information on what works and the development of effective interventions: the case of residential care

Symposium Session 2: Transitions of young persons from care to independence and adulthood – INTRAC Symposium (I)
Moderator: Mike Stein, Professor University of York, England, UK
Room 11
Time: 14.00h – 15.30h
Contributions:
- Rami Benbenishty – Bar Ilan University, Israel
  A national needs assessment of adolescents on the verge of leaving a range of out of home arrangements
- Robert Flynn, Marie-Pierre Paquet & Robyn Marquis – University of Ottawa, Canada
  A randomized trial of academic tutoring of foster children by foster parents
- Gabriela Dima – Spiru Haret University Brasov, Romania
  A new framework of understanding care leavers’ transition to independent living
- Robert Flynn & Nicholas Tessier – University of Ottawa, Canada
  An evaluation of Extended Care and Maintenance (ECM) as a support for transitions from public care in Ontario, Canada

Symposium Session 3: What works for whom in child and adolescent psychiatry?
Moderators: Fop Verheij & Frank Verhulst, Professors Erasmus University Rotterdam, the Netherlands
Room 10
Time: 14.00h – 15.30h
Contributions:
- Frank Verhulst – Erasmus Medical Center / Sophia Children’s Hospital, the Netherlands
  The developmental course of psychopathology from childhood into adulthood in general population and clinical samples
- Jolanda Wielemaker & Fop Verheij - Erasmus Medical Center / Sophia Children’s Hospital, the Netherlands
Follow-up of long-term child psychiatric residential care

Sjouk de Boer – De Fjord, Centre of Orthopsychiatry and Forensic Youth Psychiatry / De Jutters, Centre of Youth Mental Health Care Haaglanden, the Netherlands

Are adolescent inpatients on the life-course-persistent-pathway (LCP) really untreatable?

Marije Valenkamp, Fop Verheij, Jan Van der Ende & Frank Verhulst – Erasmus Medical Center / Sophia Children’s Hospital, the Netherlands; Henk Nijman – Radboud University Nijmegen, the Netherlands

Development and evaluation of the Individual Proactive Aggression management method for residential child psychiatry and child care

Free Paper Session 4: Out-of-home care in Scandinavia

Moderator: Tjalling Zandberg, Emeritus Professor University of Groningen, the Netherlands

Room 13

Time: 14.00h – 15.30h

Contributions:

- Øivin Christiansen & Toril Havik – University of Bergen, Norway
  Stability in out-of-home care; what’s in it for whom?

- Turf Böcker Jakobsen – Danish National Centre for Social Research, Denmark
  Breakdown in care for young people: Prevalence, experiences and explanations

- Lajla Knudsen – Danish National Centre for Social Research, Denmark
  What makes foster carers and birth parents co-operate well? A comparison of kinship care and non-kinship foster care

- Bente Moldestad & Dag Skilbred – University of Bergen, Norway
  Experiences of parents of children in foster care and implications for social work practice

Free Paper Session 5: Inside views on residential child and youth care

Moderator: Andrew Kendrick, Professor Universities of Strathclyde & Glasgow, Scotland, UK

Room 1

Time: 14.00h – 15.30h

Contributions:

- Yafit Sulimani-Aidan – Bar Ilan University, Israel
  Future expectations of adolescents in residential care in Israel

- Valerio Belotti & Caterina Satta – University of Padova, Italy
  Young adults’ retrospective views as ‘out of home children’ in residential care

- Jennifer Davidson & Andrew Kendrick – University of Strathclyde, Scotland, UK
  Higher aspirations, brighter futures: The National Residential Child Care Initiative in Scotland

- Paola Bastianoni – University of Ferrara, Italy; Alessandro Taurino – Bari University, Italy; Federico Zullo & Anna Bolagnesi – University of Ferrara, Italy
  An integrated training/supervision methodology for care workers as a form of clinical intervention in residential foster care for children

Free Paper Session 6: Working with multi-problem families

Moderator: Janneke Metselaar, Lecturer University of Groningen, the Netherlands

Room 2

Time: 14.00h – 15.30h

Contributions:
Free Paper Session 7: Prevention programmes in child care and education

Moderator: Anne-Marie Huyghen, Ass. Professor University of Groningen, the Netherlands
Room 4
Time: 14.00h – 15.30h
Contributions:

- Inge van der Valk, Muriel van Doorn, Ed Spruijt, Wim Meens & Maja Deković – Utrecht University, the Netherlands
  Examining the effectiveness of KIDS; a school-based preventive intervention program for children in divorce situations in the Netherlands

- Sabine Stoltz, Monique van Londen, Maja Deković, Bram Orobio de Castro & Peter Prinzie – Utrecht University, the Netherlands
  The effectiveness of an individual preventive intervention for aggressive elementary school children: The ‘Stay Cool Kids’ program

- Sibylle Artz – University of Victoria, Canada; Wassilis Kassis – University of Osnabrück, Germany
  Revisiting gender based violence prevention

Free Paper Session 8: Challenges in foster care

Moderator: Peter van den Bergh, Ass. Professor Leiden University, the Netherlands
Room 12
Time: 14.00h – 15.30h
Contributions:

- Simon van Oijen – PIONN / Yorneo Youth Care Papenvoort, the Netherlands; Piet Strijker & Jana Knot-Dickscheit – University of Groningen, the Netherlands
  A research study on breakdown and foster adolescents’ development in long-term foster care

- Dalija Snieškienė & Orinta Antanavičienė – Vytautas Magnus University, Lithuania
  Foster care as a possibility for foster parents’ personal growth

- Elisabeth Backe-Hansen – Norwegian Social Research Institute NOVA Oslo, Norway
  How to counteract and prevent foster home breakdown?

- Nuria Fuentes-Peláez, Pere Amorós, Angels Balsells & Crescencia Pastor – University of Barcelona, Spain
  A support program addressed to youth in kinship foster care from the resilience perspective

Free Paper Session 9: Professional- and client-focused cooperation

Moderator: Hélène Milova, Professeur Université Paris Ouest Nanterre La Defense, France
Room 5
Time: 14.00h – 15.30h
Contributions:
- **David Westlake & Rebecca Brown** – Loughborough University, England, UK
  Very young children at risk: Interagency working

- **Hélène Milova** – Université Paris Ouest Nanterre La Défense, France
  Working with parents of vulnerable children: Can schooling issues be a basis for cooperation?

- **Silvio Premoli** – La Grande Casa, Società Cooperativa Sociale onlus, Italy
  The role of managers in Promoting child and adolescent care services performance. A multidimensional model from practice

- **Kim Craeynest** – Agency Youth Welfare Brussels, Belgium
  Multifunctional centres: Flexible, tailor-made care in Flanders’ special youth assistance

**Workshop Session 10: New treatment tools for vulnerable children**

*Moderator: Aafke Hoekstra, PhD researcher University of Groningen, the Netherlands*

*Room 3*

*Time: 14.00h – 15.30h*

*Contribution:*

- **Saskia van der Oord** – University of Amsterdam, the Netherlands; **Sacha Lucassen** – Youth Division Mental Health Services ‘Dijk en Duin’ Zaandam, the Netherlands
  WRIITE junior; cognitive behavioural writing therapy for children with a post traumatic stress disorder (PTSD)

- **Heleen van der Stege & AnneLoes van Staa** – Erasmus University Rotterdam/Expertise Centre Transitions of Care, the Netherlands
  Let’s talk about sex: Rationale for a new board game for adolescents with chronic conditions

**Workshop Session 11: Evaluation of child and youth care services**

*Moderator: Jan Willem Veerman, Professor Radboud University Nijmegen, the Netherlands*

*Room 6*

*Time: 14.00h – 15.30h*

*Contribution:*

- **Jan Willem Veerman** – Praktikon / Radboud University Nijmegen, the Netherlands

- **Tom van Yperen** – Netherlands Youth Institute, Utrecht University, the Netherlands

- **Bas Bijl** – PI Research Amsterdam, the Netherlands

- **Dries Roosma** – PIONN Papenvoort, the Netherlands
  Evidence-based practice meets practice-based evidence: Rationale and utilization of a developmental model for evaluating youth care
**Tea break - with poster session**
Room: Central reception room, Martiniplaza Conference Centre
Time: 15.30h – 16.30h

**Poster Session 12**
Room: Central reception room, Martiniplaza Conference Centre
Time: 15.30h – 16.30h
Contributions:

- **Andreia Azevedo, Maria João Seabra-Santos, Maria Filomena Gaspar & Tatiana Carvalho Homem – Coimbra University, Portugal**
The ‘Incredible Years Parent Training Programme’ in families of preschoolers with disruptive behaviour symptoms: Does it work? Preliminary data with a clinical Portuguese sample

- **Caterina Balenzano, Edvige Zatton & Giuseppe Moro – University Aldo Moro of Bari, Italy**
Supporting vulnerable parenthood in a school context: Effectiveness of an intervention programme ‘thought with’ parents

- **Pauline Benneker & Janneke Metselaar – University of Groningen, the Netherlands; Detta Mellema – Elker Youth Care Groningen, the Netherlands**
Developing outpatient family care in daily practice

- **Nadine Blokland & Janneke Metselaar - University of Groningen, the Netherlands; Corina de Wagt – Elker Youth Care Groningen, the Netherlands**
Developing a comprehensive intervention for secondary prevention of criminal behaviour of adolescents in daily practice

- **Giuseppe Cirillo & Paola Lamberti – University of Naples II, Italy; Maddalena Poerio – Campania Region Naples, Italy**
A programme for social adoption in Naples and the Campania Region

- **Caroline Crosswell – University of Birmingham, England, UK**
Care leavers and the transition to adult independence: A UK/Australia comparative study of responses to supporting young care leaving foster care

- **Nicole Daus, Richelle van den Berg & Piet Strijker – University of Groningen, the Netherlands; Simon van Oijen – Yorneo Youth Care Papenvoort/PIONN, the Netherlands**
Behavioural problems, trauma and foster family characteristics: An exploratory study

- **Muriel van Doorn, Inge van der Valk, Ed Spruijt, Maja Deković & Wim Meens – Utrecht University, the Netherlands**
Examining the effectiveness of KIDS (Kids In Divorce Situations)

- **Alina Frunza – University ‘Alexandru Ioan Cuza’ Iasi – Romania**
M.A.M.: “My institutionalized life”, a life story: Case study

- **Esther Geurts, Tom van Yperen & Erik-Jan de Wilde - Netherlands Youth Institute, the Netherlands**
Benchmark on achievement indicators
- Simon Hammond – University of East Anglia, Norwich, England, UK
  The opportunities and implications of technology: Updating life story work for use with a technologically proficient generation

- Timo Hennig & Satyam A. Schramm – University of Oldenburg, Germany
  A training of learning skills for adolescents with ADHD (LeJA): Empirically based conceptualization and first findings of efficacy

- Gerold Jacobs & Gisela Schulze – University of Oldenburg, Germany
  Make-up and analysis of barriers and facilitators in participation and interaction of students with a hearing impairment: A basic study to improve studying at the universities of Oldenburg, Groningen, Hamburg, and Utrecht

- Thirza van der Kamp & Piet Strijker – University of Groningen, the Netherlands; Elly Voorintholt – Elker Youth Care Groningen, the Netherlands
  The effectiveness of treatment of sexually abused youth: A study of SASS

- Itzhak Lander – Sapir Academic College, Sderot, Israel
  Using family attachment narrative therapy to heal childhood trauma: A case study

- Friedrich Linderkamp – University of Oldenburg, Germany
  The influence of positive and negative psychosocial factors on the mental health of foster children

- Teresa Marzo – University of Barcelona, Spain; Josefina Sala – Ramon Llull University Barcelona, Spain
  Functional development of the social educator task in foster residences

- Elske Roel & Janneke Metselaar – University of Groningen, the Netherlands; Jeanne Kamp – Elker Youth Care Groningen, the Netherlands
  Goal directed and competency-based residential youth care: Challenges in daily practice

- Selma Ruiter, Linda Visser, Bieuwe van der Meulen, Marieke Timmerman & Wied Ruijsenaars – University of Groningen, the Netherlands
  Adaptive developmental assessment of young children with cognitive and/or functional impairments

- Chris Smolders & Magda Massoels – Youth Welfare Agency Brussels, Belgium
  The treatment unit in the closed juvenile institution ‘De Hutten’

  Rates, patterns and frequency of child maltreatment in Flanders

- Leonie Vreeke & Peter Muris – Erasmus University Rotterdam, the Netherlands
  Psychometric properties of the Behavior Inhibition Questionnaire: A brief measure of anxiety vulnerability in children

- Jorūnė Vyšniauskytė-Rimkienė – Vytautas Magnus University Kaunas, Lithuania
  Social skills training for peer rejected and neglected adolescents
Symposium Session 13: Evidence based practice in the Netherlands – NJi Symposium (II - continued). **Moderator: Nelleke Groenewegen, Director Netherlands Youth Institute (NJi), the Netherlands**
Room 14
Time: 16.30h – 18.00h
Contributions:

- **Marian de Graaf - Netherlands Youth Institute (NJi), the Netherlands**
  Effective interventions: A productive combination of evidence-based practice and practice-based evidence

- **Tom A. van Yperen & Mariska van der Steege – Netherlands Youth Institute, Utrecht University, the Netherlands**
  Common and specific ingredients of youth care: Enhancing the effectiveness in practice

- **Marjan de Lange & Mariska van der Steege - Netherlands Youth Institute, the Netherlands**
  Effectiveness in residential youth care: Describing, substantiating and then?

Symposium Session 14: Transitions of young persons from care to independence and adulthood – INTRAC Symposium (II – continued)
**Moderator: Mike Stein, Professor University of York, England, UK**
Room 11
Time: 16.30h – 18.00h
Contributions:

- **Anat Zeira – Hebrew University of Jerusalem, Israel**
  Adolescents’ readiness for independent living in youth villages in Israel

- **Yvonne Sjöblom – Stockholm University, Sweden**; **Ingrid Höjer – Gothenburg University, Sweden**; **Jan Storo – Oslo University College, Norway**
  Young people leaving care in two Nordic countries

- **Ingrid Höjer – Gothenburg University, Sweden**; **Yvonne Sjöblom – Stockholm University, Sweden**
  Transition to adulthood for young Swedish care leavers

- **Isabelle Frechon, Pernelle Issenhuth & Géraldine Vivier – Institut Nationale d’Etudes Démographiques, France**
  Following up care leavers? Outcomes of a feasibility study

Symposium Session 15: Helping asylum seeking children and young people
**Moderator: Margrite E. Kalverboer, Ass. Professor University of Groningen, the Netherlands**
Room 13
Time: 16.30h – 18.00h
Contributions:

- **Margrite Kalverboer, Elianne Zijlstra, Mijntje ten Brummelaar & Erik Knorth – University of Groningen, the Netherlands**
  The best interest of asylum-seeking children in legal decision-making procedures

- **Jim Wade - University of York, England, UK**
  Preparation and planning for unaccompanied asylum-seeking and refugee young people leaving care in England

- **Tommaso Fratini – University of Florence, Italy**; **Paola Bastianoni & Federico Zullo – University of Ferrara, Italy**; **Alessandro Taurino – Bari University, Italy**; **Anna Bolognesi – University of Ferrara, Italy**
The reception of Unaccompanied Foreign Minors in Italy: Life stories of young people in residential care centres

**Free Paper Session 16: Foster care: professional and helpful?**

**Moderator:** Jorge del Valle, Professor University of Oviedo, Spain  
**Room 5**  
**Time:** 16.30h – 18.00h  
**Contributions:**

- Teresa Bertotti – CBM Centre for Child Maltraitment and Family Care Milan, Italy; Elisa Marta – Province of Milan, Italy; Michel Evans – AFA Milan, Italy; Claudio Figini, Flavia Saltelli & Liviana Marelli – La Grande Casa Milan, Italy; Pia Zuretti, CBM Milan, Italy  
  Professional foster care: Results of a new service for vulnerable children
- Anu-Riina Svenlin – University of Jyväskylä, Finland  
  What we know and what we should know about short-term fostering?
- Carme Montserrat & Ferran Casas – University of Girona, Spain  
  What are the problems in improving the participation in education of children in care?

**Free Paper Session 17: Working on behalf of young children**

**Moderator:** Ineke Oenema-Mostert, Ass. Professor University of Groningen, the Netherlands  
**Room 2**  
**Time:** 16.30h – 18.00h  
**Contributions:**

- Wim De Mey – University of Ghent, Belgium; Inge Bastiaansen - Praktikon / Radboud University Nijmegen, the Netherlands  
  Multi-method approach to disruptive behavioral problems with young children: Results after ten years of STOP 4-7 in Belgium and the Netherlands
- Aafke Hoekstra, Bieuwe van der Meulen, Ineke Oenema-Mostert & Wied Ruijsenaars – University of Groningen, the Netherlands  
  A study into the effectiveness of the Portage Programme
- Rebecca Brown & David Westlake – Loughborough University, England, UK  
  Very young children at risk: Parents’ capacity for change
- Anne-Marie Hayghey – University of Groningen, the Netherlands; Ilonka von Rudnay – Cardea Youth Care Leiden, the Netherlands; Janneke Metselaar & Erik Knoth – University of Groningen, the Netherlands  
  Assessing children’s satisfaction with child and youth care: The SMILEY 9-12 Questionnaire

**Free Paper Session 18: Common and specific intervention factors**

**Moderator:** Huub Pijnenburg, Professor HAN University of Applied Sciences Nijmegen, the Netherlands  
**Room 10**  
**Time:** 16.30h – 18.00h  
**Contributions:**

- Huub Pijnenburg - HAN University of Applied Sciences Nijmegen, the Netherlands  
  Making sure youth care works: Towards a coalition of common and specific factors
- Inge van der Tak - HAN University of Applied Sciences Nijmegen, the Netherlands; Ton Meeuwsen – Entrée Youth Care Nijmegen / HAN University of Applied Sciences Nijmegen, the Netherlands; Huub Pijnenburg - HAN University of Applied Sciences Nijmegen, the Netherlands
What and who works in youth care? An exploratory follow-up study
- Wybren Grooteboer - HAN University of Applied Sciences Nijmegen, the Netherlands; Tos Polak – Lindenhout Youth Care Arnhem / HAN University of Applied Sciences Nijmegen, the Netherlands; Huub Pijnenburg - HAN University of Applied Sciences Nijmegen, the Netherlands
The role of client-therapist alliance in effective youth care
- Germie van den Berg & Arga Kramer – Altra Youth Care Amsterdam
How to construct the program theory of interventions in youth and family care

Free Paper Session 19: Educational arrangements and care
Moderator: Manfred Wittrock, Professor University of Oldenburg, Germany
Room 3
Time: 16.30h – 18.00h
Contributions:
- Marieke Visser – University of Groningen, University of Applied Sciences InHolland, the Netherlands; Saskia Kunnen & Sippie Overwijk – University of Groningen, the Netherlands
The construction of a web-based program developed for teachers who experience difficulties in handling behavioral problems of elementary school children
- Saskia Mulder – Utrecht University, the Netherlands; Marleen Faber – Mental Health Care ‘Noord & Midden Limburg’, the Netherlands; Marcel van Aken – Utrecht University, the Netherlands
The effectiveness of the training programme ‘Happy at School’. A Randomized Controlled Trial
- Clare Tilbury, Peter Creed & Nick Bays – Griffith University, Australia
The career development of young people in out-of-home care
- Anette Iversen, Hilde Hetland & Toril Havik – University of Bergen, Norway
Learning difficulties and competence in school

Free Paper Session 20: Everyday challenges in residential care
Moderator: Jim Anglin, Professor University of Victoria, Canada
Room 6
Time: 16.30h – 18.00h
Contributions:
- Riitta Laakso – Lahti University of Applied Sciences, Finland
What is everyday caring in a children’s home?
- Jelle Drost - University of Applied Sciences Leeuwarden / University of Groningen, the Netherlands
The implementation of the Social Competency Model in residential homes for young people with a mild intellectual disability
- Anna Soldevila - University of Lleida, Spain; Antoni Peregrino - Autonomous University of Barcelona (AUB), Spain; Xavier Oriol & Gemma Filella – University of Lleida, Spain; Josefina Sala, Mercè Jariot, Montserrat Rodríguez & Isabel Álvarez – AUB, Spain; Andreu Vilaba – Fundació Pere Tarres, Spain; Maite Marzo – University of Ramon Llull, Spain; Laura Arnau – AUB, Spain
Residential foster homes in Catalonia: The view of fostered adolescents

Free Paper Session 21: Risk and trauma with children and adolescents
Moderator: Cinzia Canali, Research Fellow Fondazione E. Zancan Padova, Italy
Room 4
Time: 16.30h – 18.00h
Contributions:

- Roxana Urea – Bucharest University, Romania
  Some features of emotionality of preadolescents whose parents work abroad
- Tiziano Vecchiato & Cinzia Canali – Fondazione E. Zancan, Padova, Italy
  Risk facing children: A multisite outcome-based research study in Italy
- Anastasia Milaya – State University Higher School of Economics St.Peterburg (HSE), Russia
  Prevention of child neglect in Russia: Two case-studies of inter-agency work
- George Nikolaidis & Kiki Petroulaki – Institute of Child Health Athens, Greece
  Real world research on child abuse and neglect (CAN): The case of Greece and the Balkans

Free Paper Session 22: Parents and family-focused interventions
Moderator: Erik Knorth, Professor University of Groningen, the Netherlands
Room 1
Time: 16.30h – 18.00h
Contributions:

- Janneke Metselaar & Erik Knorth – University of Groningen, the Netherlands; Peter van den Bergh – Leiden University, the Netherlands; Tom van Yperen – NJI, Utrecht University, the Netherlands
  Needs-led and family-focused child and youth care: What’s really going on?
- Hubert Van Puyvenbroeck & Gerrit Laats – Free University of Brussels, Belgium; Hans Grietens – University of Groningen, the Netherlands; Valentin Escudero – University of La Coruna, Spain
  Intensive Family Preservation Services (IFPS) in Flanders: New findings on a mixed-methods research design
- Suzanna van de Loo & Hans Mulder – Mental Health Care Drenthe, Cluster Family Psychiatry, the Netherlands; Hans Grietens, Erik J. Knorth & Piet Strijker – University of Groningen, the Netherlands
  Treatment and assessment of parenting capacities in a family psychiatric centre: Context, workings methods and research
- Leonieke Boendermaker - University of Applied Sciences Amsterdam, University of Groningen, the Netherlands; Lianne Lekkerkerker – Netherlands Youth Institute, the Netherlands; Maja Deković – Utrecht University, the Netherlands
  Parental skills training within youth probation: Implementation and outcomes

Free Paper Session 23: Lessons from cross-national research
Moderator: Tim Tausendfreund, PhD Researcher University of Groningen, the Netherlands
Room 12
Time: 16.30h – 18.00h
Contributions:

- David Berridge – University of Bristol, England, UK
  Educating children in care: What have we learned?
- Tarja Pösö – University of Tampere, Finland; Anne-Dorthe Hestbæk – Danish National Centre for Social Research, Denmark; Marit Skivenes – University of Bergen, Norway & University of California Berkeley, USA; Madeleine Coccia – University of Linköping, Sweden
  The relation between child protection and the welfare state: A study of Denmark, Finland, Norway and Sweden
- June Statham & Janet Boddy – University of London, England, UK
  Supporting young people on the ‘edge’ of care: Lessons from a cross-European study
- Janet Boddy & June Statham – University of London, England, UK
  Supporting young people on the ‘edge’ of care: Lessons from a cross-European study
Meetings

Room: ..... 
Time: 18.00h – 20.00h

- Meeting EUSARF Board
- Meeting PhD Network
- Other networks & meetings

Free time

Time: 18.00h - .....
Friday, 24 September 2010

Arrival and registration

Location: Martiniplaza Conference Centre, Leonard Springerlaan 2, 9727 KB Groningen
Time: 8.00h – 10.30h

Plenary programme

**Plenary session IV: Preventive and home-based care**

*Moderator: James K. Whittaker, Emeritus Professor University of Washington, USA*

Room: Theatre Hall, Martiniplaza Conference Centre
Time: 9.00h – 10.00h
Contributions:

- **Bram Orobio de Castro – Professor Utrecht University, the Netherlands**
  What works, when, for whom, and why? VERY specific factors determine effectiveness of prevention and intervention programs for disruptive behavior problems

- **Jana Knot-Dickscheit – Ass. Professor University of Groningen, the Netherlands**
  Intensive home-based care: A look inside

Coffee break
Room: Reception room, Martiniplaza Conference Centre
Time: 10.00h – 10.30h
Symposia, Free Paper Sessions and Workshops

Symposium Session 24: Outcomes and challenges in evaluation of family-focused interventions – ZonMw Symposium

Moderator: Jan Janssens, Professor Radboud University Nijmegen, the Netherlands
Room 11
Time: 10.30h – 12.00h
Contributions:

- Gonnie Albrecht & Emilie van Leeuwen – PI Research Amsterdam, the Netherlands
  PMTO in the Netherlands: A research-based intervention aiming to decrease conduct disorder in children

- Denise Bodden & Maja Deković – Utrecht University, the Netherlands
  The effectiveness of an intensive home-visiting programme for multi-problem families

- Kees Mos – MDFT Academy/De Jutters/Leiden University, the Netherlands; Henk Rigter – Erasmus University Rotterdam, the Netherlands
  Multidimensional Family Therapy (MDFT) for adolescents with multiple behavioural problems: A sequential treatment programme of residential and outpatient care

- Danielle Jansen, Karin Vermeulen, Annemieke Luinge – University Medical Center Groningen, the Netherlands; Erik Knorth – University of Groningen, the Netherlands; Erik Buskens & Menno Reijneveld – University Medical Center Groningen, the Netherlands
  Randomised controlled evaluations of family-focused child and youth care: The pot of gold at the end of the evidence-based rainbow?

Symposium Session 25: Family foster care: needs, stability and experiences – INFOCARE Symposium

Moderator: Klaus Wolf, Professor University of Siegen, Germany
Room 14
Time: 10.30h – 12.00h
Contributions:

- Cinzia Canali & Tiziano Vecchiato – Fondazione E. Zancan Padova, Italy
  How the analysis of need supports decisions for an appropriate foster care and how this could increase effectiveness

- Nina Biehal – University of York, England, UK
  What affects the stability of long-term foster care?

- Gillian Schofield & Emma Ward – University of East Anglia, England, UK
  Achieving permanence in foster care: Carers’ and children’s experiences

- Klaus Wolf, Judith Pierlings & Dirk Schäfer - University of Siegen, Germany
  Liabilities and resources in the experience of foster children

Free Paper Session 26: Theory and practice in residential child care

Moderator: Leonieke Boendermaker, Professor University of Applied Sciences Amsterdam; Research Fellow University of Groningen, the Netherlands
Room 10
Time: 10.30h – 12.00h
Contributions:
- James P. Anglin, Martha Holden & Michael Nunno – University of Victoria, Canada
  Integrating a new theoretical approach into a child welfare agency: Learning from the Cornell CARE Program Model experience

- Charles Izzo, Elliott Smith, Martha Holden, Michael Nunno & Jack Holden – Cornell University, New York, USA & University of Victoria, Canada
  Advancing residential care through evidence-based practice: Preliminary empirical tests of the CARE theory of change

- Andrew Kendrick – University of Strathclyde, Scotland, UK
  Relations, relationships and relatedness: Residential child care and the family metaphor

- Richard Barker – University of Northumbria, Newcastle, UK
  A research study of the extent of responses to children in residential care being procured and sexually abused by people in the wider community

Free Paper Session 27: Home care, out-of-home care and child protection
Moderator: Jelle Drost, Professor Northern University of Applied Sciences Leeuwarden; Ass. Professor University of Groningen, the Netherlands
Room 1
Time: 10.30h – 12.00h
Contributions:

- Sara Serbati, Paola Milani & Gianmaria Gioga – University of Padova / Fondazione E. Zancan, Italy
  Reinforce social workers in assessing, planning and monitoring home care interventions

- Aino Ritola-Koskinen – University of Tampere, Finland
  Three paths in the child protection system

- Mette Lausten & Tine Egelund – Danish National Centre for Social Research, Denmark
  Can we predict the care environment for children in out-of-home care? Evidence from the Danish longitudinal study of children in out-of-home care

- Turf Böcker Jakobsen & Tea Bengtsson – Danish National Centre for Social Research, Denmark
  Beyond a Nordic model of residential care? Comparative perspectives on out-of-home care for young people in the Nordic countries

Free Paper Session 28: Inside secure care and treatment
Moderator: Mijntje ten Brummelaar, Research Associate University of Groningen, the Netherlands
Room 12
Time: 10.30h – 12.00h
Contributions:

- Peer van der Helm – University of Applied Sciences Leiden, the Netherlands; Geert Jan Stams – University of Amsterdam, the Netherlands; Peter van der Laan – Free University Amsterdam, the Netherlands
  What works for juvenile offenders?

- Annemiek Harder, Margrite Kalverboer & Erik Knorth – University of Groningen, the Netherlands
  The downside up? A process- and evaluation study on care and treatment in a secure treatment centre in the Netherlands

Free Paper Session 29: It's all in the family…
Moderator: Trijntje Roggen, Lecturer University of Groningen, the Netherlands
Room 2
Time: 10.30h – 12.00h
Contributions:
Free Paper Session 30: Views and values in child and family care

**Moderator: Tim Tausendfreund, PhD Researcher University of Groningen, the Netherlands**

Room 5

Time: 10.30h – 12.00h

Contributions:

- Thomas Gabriel & Samuel Keller – Zürich University of Applied Sciences, Switzerland
  Models of outcome and implicit knowledge of practitioners
- Marit Hopman, Michiel de Winter & Willem Koops – Utrecht University, the Netherlands
  Value-orientations in child welfare interventions: A case study of Triple P
- Marieke Dekker, Jeroen Dekker, Erik Knorth & Greetje Timmerman – University of Groningen, the Netherlands
  Effective child protection. Which elements of intervention were seen to be related to desired outcomes in the Netherlands between 1945 and 1990?
- Anne-Kirstine Mølholt, Helle Hansen, Mette Lausten & Vibeke Myrup Jensen – Danish National Centre for Social Research, Denmark
  What makes good prevention-programs? A quantitative and qualitative analysis of ‘Best Practice’ in child prevention-programs for vulnerable children and youth in risk of placement in out-of-home care

Free Paper Session 31: Transitions of children and young people within and out of care

**Moderator: Rami Benbenishty, Professor Bar Ilan University, Israel**

Room 6

Time: 10.30h – 12.00h

Contributions:

- AnneLoes van Staa & Henk Sonneveld – Erasmus University Rotterdam / Expertise Centre Transitions of Care, the Netherlands; Jeroen Havers – Dutch Institute for Healthcare Improvement CBO Utrecht, the Netherlands
  Innovations in Dutch transitional care for adolescents with chronic conditions
- Roxana Anghel – Anglia Ruskin University Cambridge, England, UK
  Transition within transition: from residential public care to independent living in a Romanian context
- Georgia Hyde-Dryden – Loughborough University, England, UK
  ‘Overcoming by Degrees’: Exploring the impact of measures intended to improve the experiences of care leavers in higher education
- Ingrid Höjer, Helena Johansson & Margreth Hill – Gothenburg University, Sweden
  Pathways to education for former Swedish child welfare clients
Free Paper Session 32: Enhancing quality of care in daily practice
**Moderator:** Tom van Yperen, Professor Utrecht University; Program Leader Netherlands Youth Institute, the Netherlands
Room 13
Time: 10.30h – 12.00h
Contributions:

- Karlijn Stals – Jeugdformaat Youth Care / Utrecht University, the Netherlands; Tom van Yperen – Netherlands Youth Institute / Utrecht University, the Netherlands; Wouter Reid - Jeugdformaat Youth Care, the Netherlands; Geert Jan Stams – University of Amsterdam, the Netherlands
  Systematic implementation leads to more effective interventions in practice
- Carolien Konijn – Spirit Youth Care Amsterdam, the Netherlands
  Learning from our daily practice
- Dörte Rohlfs & Janneke Metselaar – University of Groningen, the Netherlands; Corina de Wagt – Elker Youth Care Groningen, the Netherlands
  Home Proof: Evaluation of youth care arrangements in daily practice
- Liesbeth van den Berg – Elker Youth Care Groningen / University of Groningen, the Netherlands; Ineke Oenema-Mostert – University of Groningen, the Netherlands
  Follow-up in care of young children and their families

Workshop Session 33: Interventions for children under stress
**Moderator:** Hans Grietens, Professor University of Groningen, the Netherlands
Room 4
Time: 10.30h – 12.00h
Contributions:

- Herman Klein & Arianne Geuze – Child Care and Protection Board (RvdK) Zwolle, the Netherlands
  Pilot ‘Signs of Safety’: Working with ‘Signs of Safety’ within the Child Care and Protection Board
- Hans van Andel – Dimence Mental Health Services, the Netherlands; Piet Strijker – University of Groningen, the Netherlands; Rutger Jan van der Gaag – Radboud University Nijmegen, the Netherlands; Hans Grietens & Erik J. Knorth – University of Groningen, the Netherlands
  A Dutch intervention for young foster children under stress
Lunch break
Room: Lunch and dinner room, Martiniplaza Conference Centre
Time: 12.00h – 13.30h

During the second part of the lunch break, 13.00h–13.30h, several new volumes will be launched in the book exhibition hall:

Editors and contributors are available for explanation. As long as stocks last the volumes can be purchased.

Plenary programme

Plenary session V: Home-based and intermediate care
Moderator: Bernadette Tillard, Professeur Université Charles-de-Gaulle Lille 3, France
Room: Theatre Hall, Martiniplaza Conference Centre
Time: 13.30h – 14.00h
Contribution:

- Friedrich Linderkamp – Professor University of Oldenburg, Germany
  Home-based and intermediate care; how useful is additional cognitive-behavioural therapy?
Symposia, Free Paper Sessions and Workshops

Symposium Session 34: Foster care research in the Netherlands and Belgium

**Moderator:** Peter van den Bergh, Ass. Professor Leiden University, the Netherlands

Room 14

Time: 14.10h – 15.45h

Contributions:

- Johan Vanderfaeillie – Free University Brussels, Belgium; Frank Van Holen & Lenny Trogh – Opvang v.z.w. Brussels, Belgium
  The impact of foster children’s behavioural problems on Flemish foster mothers’ parental behaviour
- Peter van den Bergh & Tonny Weterings – Leiden University, the Netherlands
  The significance of birth parents during placement in foster families
- Frank Van Holen - Opvang v.z.w. Brussels, Belgium; Johan Vanderfaeillie – Free University Brussels
  Support needs of foster parents
- Harm Damen – Praktikon / Radboud University Nijmegen, the Netherlands; Huub Pijnenburg & Ilona de Zeeuw Jans – HAN University of Applied Sciences Nijmegen, the Netherlands
  Towards an evaluation of family coaching within the Integral Foster Care model

Symposium Session 35: Residential services for at-risk youth: Time for a critical review?

– IAOBER Symposium. **Moderator: James K. Whittaker, Emeritus Professor University of Washington, USA**

Room 11

Time: 14.10h – 15.45h

Contributions:

- James Whittaker - University of Washington, USA
  ‘The orphaned asylum’: What contemporary child mental health care can learn from the unfulfilled promise of residential treatment in 20th century America
- Anat Zeira - Hebrew University of Jerusalem, Israel
  Residential services in an Israeli context: Care facilities directors’ perspectives on youth in transition to adulthood
- June Thoburn - University of East Anglia, England, UK
  Lessons learned about the policy and practice of group care from a study of children in public out-of-home care in 14 countries
- Hans Grietens – University of Groningen, the Netherlands; Ine Thys & Hanne Van den Bosch - Catholic University of Leuven, Belgium
  Can the group still be a therapeutic milieu for children in residential care?

Free Paper Session 36: Child care and the family

**Moderator:** Tiziano Vecchiato, Director Fondazione E. Zancan Padova, Italy

Room 5

Time: 14.10h – 15.45h

Contributions:

- Esther Geurts – Netherlands Youth Institute Utrecht / STEK Youth Care Rotterdam, the Netherlands; Erik Knorth – University of Groningen, the Netherlands; Marc Noom – Leiden University, the Netherlands
  Working with youths and families in residential care: Why, how and for what?
Free Paper Session 37: Vulnerable groups in education and care
Moderator: Nina Biehal, Professor University of York, England, UK
Room 1
Time: 14.10h – 15.45h
Contributions:

- Ksenia Limanskaya – Early Intervention Institute St.Petersburg, Russia
  Preventing children’s placement in residential care
- Kristien Nys – Higher Institute for Family Sciences Brussels, Belgium
  Positive outcomes of a ‘needs- and perspective-based’ group work program with disadvantaged families: Higher levels of parental reasoning
- Isabelle Frechon & Nicolas Robette – Institut Nationale d'Etudes Démographiques, France
  The variety of childcare trajectories of French youths having experienced out-of-home care

Free Paper Session 38: Outcome and process monitoring in child and family care
Moderator: Huub Pijnenburg, Professor HAN University of Applied Sciences Nijmegen, the Netherlands
Room 6
Time: 14.10h – 15.45h
Contributions:

- Marieke Visser – University of Groningen, University of Applied Sciences InHolland, the Netherlands;
  Saskia Kunnen & Paul Van Geert – University of Groningen, the Netherlands
  Looking beyond the outcomes of a school-based social skills intervention program
- Marc Delsing, Inge Bastiaansen & Jan Willem Veerman – Praktikon / Radboud University Nijmegen, the Netherlands
  Long-term effectiveness and mechanisms of change of a multimodal program for treating behavioural problems of young children
- Huub Notermans – University of Applied Sciences Utrecht, the Netherlands; Tom van Yperen & Walter Matthys – Utrecht University, the Netherlands; Henk Smeijsters – University of Applied Sciences Zuyd, the Netherlands
  Developmental drama therapy: A treatment model for adolescents with anxiety and mood complaints
- Elaine Farmer – University of Bristol, England, UK
  Returning abused and neglected children to their parents: Issues and outcomes

- Marc Noom, Monica Markus, Frans Zitman & Robert Vermeiren – Leiden University Medical Center / Curium Child and Adolescent Psychiatry, the Netherlands
  Routine Outcome Monitoring: A tool for understanding what works for whom and why
- Gert Kroes – Praktikon / Radboud University Nijmegen, the Netherlands
  Routine outcome monitoring in child and family care
- Paola Milani, Valerio Belotti, Marco Ins, Sara Serhati, Caterina Satta & Salvatore Me – University of Padova, Italy
  Co-building of tools to assess, project and monitor interventions with children out of home and their families
- Liat Vazan-Sikron & Paula Kahan-Strawczynski – Myers JCD Brookdale Institute Jerusalem, Israel
  Main findings and insights from an evaluation study of four models of centers for youth at risk
Free Paper Session 39: Leaving care and afterwards
Moderator: Annemiek Harder, PhD Researcher University of Groningen, the Netherlands
Room 10
Time: 14.10h – 15.45h
Contributions:
- Tamar Dinisman – University of Jerusalem, Israel
  Perceived readiness to leave care of adolescents in residential care in Israel
- Tarja Pösö – University of Tampere, Finland
  From case files to narratives: Social workers evaluating the termination of care
- Annick Dumaret, Emilie Guerry & Monique Crost - Centre de Recherche, Médecine, Sciences, Santé et Société (CERMES), France
  Quality of life, social integration and health in adulthood for long-term foster care alumni: Links between past, care services and present
- Marco Ius, Paola Milani & Sara Serbati – University of Padova, Italy
  Former fostered children: How young adults recall their experience

Free Paper Session 40: Juvenile offenders, looking back and forward
Moderator: Tjalling Zandberg, Emeritus Professor University of Groningen, the Netherlands
Room 3
Time: 14.10h – 15.45h
Contributions:
- Hilde Hetland, Annette Iversen, Ole-Johan Eikeland & Terje Manger – University of Bergen, Norway
  Former welfare clients in prison: A focus on education
- Eduardo Martín, Dolores García & Angela Torbay – University of La Laguna Tenerife, Spain
  Resilience factors in youngsters convicted of juvenile offences
- Dolores García, Eduardo Martín & Angela Torbay – University of La Laguna Tenerife, Spain
  Family factors that promote resilience in youngsters convicted of juvenile offences

Free Paper Session 41: Residential care and treatment: why still there?
Moderator: Robbie Gilligan, Professor Trinity College Dublin, Ireland
Room 12
Time: 14.10h – 15.45h
Contributions:
- Carme Montserrat – University of Girona, Spain; Mónica López, Jorge F. del Valle & Amaia Bravo – University of Oviedo, Spain
  Children in long-term residential care: Who are they and why are they still there?
- Gabriela Misca – Keele University, England, UK
  Attachment and interventions for adolescents growing up in institutional care
- Arianne Baanders – OG Heldring Treatment Centre, the Netherlands
  Treatment of behavioural problems in a residential youth care setting: Effect on social competence level
- Jo Dixon – University of York, England, UK
  Preventive services for vulnerable adolescents: The use of respite residential placements as part of an integrated family support service
Free Paper Session 42: Assessment and intervention
Moderator: Selma Ruiter, Postdoctoral Research Fellow University of Groningen, the Netherlands
Room 2
Time: 14.10h – 15.45h
Contributions:

- Judith Sittig – Wilhelmina Children’s Hospital Utrecht, the Netherlands; Cano Uiterwaal – Julius Centre for Health Sciences and Primary Care / Utrecht University, the Netherlands; Edward Nieuwenhuis – Wilhelmina Children’s Hospital Utrecht, the Netherlands; Karel Moons & Elise van de Putte – Julius Centre for Health Sciences and Primary Care / Utrecht University, the Netherlands
  Child Abuse Inventory at Emergency Rooms (CHAIN-ER): Rationale and design

- Daphne van Loon & Bieuwe van der Meulen – University of Groningen, the Netherlands
  Measurement of effective parenting by means of the Parenting Questionnaire

- Maartje Kok, Ineke Oenema-Mostert, Bianca Bijlsma-Smoorenburg & Alexander Minnaert – University of Groningen, the Netherlands
  Meeting the needs of young children 0-4: A new framework for early childhood education and care in the Netherlands

- Els Evenboer, Anne-Marie Huygen, Jolanda Tuinstra, Pieter Hoeckstra, Janneke Metselaar, Andrea de Winter, Menno Reijneveld & Erik Knorth – University of Groningen & University Medical Center Groningen, the Netherlands
  Towards a taxonomy of care for youth: A synthesis of the literature

Workshop Session 43: Diversity in child and youth care – ZonMw Diversity in Youth Policy Program
Moderators: Jeanette Doornenbal, Professor Hanze University of Applied Sciences Groningen & Marike van Rijs, Acting Coordinator DWARS, Erasmus Medical Center Rotterdam, the Netherlands
Room 13
Time: 14.10h – 15.45h
Contributions:

- Marike van Rijs & Tinneke Beirens - Erasmus Medical Center Rotterdam, the Netherlands; Frouwke de Waart – Municipal Health Service Rotterdam-Rijnmond, the Netherlands; Margo van den Berg – ZonMw, the Netherlands; Hein Raat – Erasmus Medical Center Rotterdam, the Netherlands
  Diversity in child and family care; the ZonMw ‘Diversity in Youth Policy’ Program

- Contribution ‘Kenniswerkplaats Tienplus Amsterdam’

- Contribution ‘Academische Werkplaats Diversiteit in het Jeugdbeleid in Noord-Brabant’

- Jolanda Tuinstra & Erik Noordik – University Medical Center Groningen, the Netherlands; Erik Knorth – University of Groningen, the Netherlands; Menno Reijneveld – University Medical Center Groningen, the Netherlands
  Experiences with C4Youth, the Collaborative Centre on Care for Children and Youth with behavioural and emotional problems in the Northern Netherlands

Workshop Session 44: Working with families
Moderator: Ingrid Höjer, Ass. Professor University of Gothenburg, Sweden
Room 4
Time: 14.10h – 15.45h
Contributions:
- Rik Prenen – VCLB Limburg Genk, Belgium; Elke Gybels – Catholic University of Applied Sciences Limburg Diepenbeek-Hasselt, Belgium; Maurits Wysmans – Leuven University College, Belgium
  An additional language in working with families
- Kitty Cassée & Barbara Los-Schneider - Zürich University of Applied Sciences, Switzerland
  KoFA: A manualized programme for risk assessment and intervention in multiproblem families

Tea break
Room: Central reception room, Martiniplaza Conference Centre
Time: 15.45h – 16.15h

Symposium Session 45: Children with behavioural problems at school – CYPFR
Symposium. Moderator: Gisela Schultz, Professor University of Oldenburg, Germany
Room 13
Time: 16.15h – 17.45h
Contributions:
- Peter Leone – University of Maryland, Maryland, USA
  From school house to the court house: Criminalization of school misbehavior
- Mannfred Wittrock & Carmen Schmitz – University of Oldenburg, Germany
  Like a bull in a China shop. Behavioral literacy: Dimensions and implications
- Michael Krezmien – University of Massachusetts, USA
  School suspensions: Untangling bad behaviors from bad policies

Symposium Session 46: Outcomes and costs in child and family welfare
Moderators: Menno Reijneveld, Professor University of Groningen, the Netherlands;
Harrriet Ward, Professor Loughborough University, England, UK
Room 11
Time: 16.15h – 17.45h
Contributions:
- Shelley Leavitt & Charlotte Booth – Institute for Family Development, Federal Way, Washington, USA
  Homebuilders’ home-based intervention for families: Key strategies for achieving positive outcomes
- Karin Vermeulen, Daniëlle Jansen, Annemieke Luinge & Erik Buskens – University Medical Center Groningen, the Netherlands; Erik Knorth – University of Groningen, the Netherlands; Menno Reijneveld – University Medical Center Groningen, the Netherlands
  Cost-effectiveness of child and youth care
- Harriet Ward, Lisa Holmes & David Westlake – Loughborough University, England, UK
  Calculating and comparing the costs of public care for children

Free Paper Session 47: Foster care outcomes and adoption
Moderator: Annick Dumaret, Researcher Institut Nationale de la Santé et de la Recherche Médicale (Inserm U988 – CERMES 3), France
Room 14
Time: 16.15h – 17.45h
Contributions:

- Mariska de Baat – Netherlands Youth Institute Utrecht, the Netherlands; Leonieke Boendermaker – University of Applied Sciences Amsterdam, University of Groningen, the Netherlands; Carine Pots – Netherlands Youth Institute Utrecht, the Netherlands
  Foster care: What works?
- Elizabeth Fernandez & Jung-Sook Lee – University of New South Wales, Sydney, Australia
  Returning home: A study of reunification outcomes for separated children
- Caroline Jonkman, Ramon Lindauer, Eva Balle & Frits Boer – Amsterdam Medical Center of the University of Amsterdam - De Bascale Child and Adolescent Psychiatry, the Netherlands
  MTFC-P compared to TFC for young foster children with psychological problems
- Julie Selbyrc – University of Bristol, England, UK; Johnathan Pearce – Adoption UK, England, UK
  It’s a piece of cake? An evaluation of an adopter training programme

Free Paper Session 48: Process and outcomes in out-of-home care and special needs education. Moderator: Marc Noom, Ass. Professor Leiden University, the Netherlands
Room 10
Time: 16.15h – 17.45h
Contributions:

- Inge Bastiaanssen & Jan Willem Veerman – Praktikon / Radboud University Nijmegen, the Netherlands
  The search for effective ingredients of residential care in a ‘real world’ youth care setting in the Netherlands
- Ignace Vermaes & Karin Frissen – De Hoendeloo Groep Youth Care, the Netherlands
  Goal attainment in residential youth care: A 5-year follow-up research
- Rikke Fuglsang Olson, Tine Egelund & Mette Lausten – Danish National Centre for Social Research, Denmark
  Long-term outcomes of placements in out-of-home care
- Regina Stoutjesdijk & Evert Scholte – University of Leiden, the Netherlands
  Behavioral and academic outcomes for students with emotional and behavioral disorders in special education

Free Paper Session 49: Challenges in social work
Moderator: Marco Ius, Postdoctoral Researcher University of Padova, Italy
Room 3
Time: 16.15h – 17.45h
Contributions:

- Laila Dreyer Esperensen – Danish National Centre for Social Research
  ‘It’s all about surviving’: coping strategies among staff in residential child care
- Marco Ius & Paola Milani – University of Padova, Italy
  The social worker. An ‘intentional resilience tutor’
- Joanne Rosandich & Frank Rosandich – Tii Tonn Consultancy Services, New Zealand
  Te Whare Io: An indigenous social work framework

Free Paper Session 50: Child maltreatment and domestic violence
Moderator: Esther Geurts, Research Associate Netherlands Youth Institute Utrecht, the Netherlands
Room 12
Time: 16.15h – 17.45h
Contributions:

- **Hanneke Rus & Jeannette ten Brug** – St. Toevluchtsoord Noord Groningen, the Netherlands
  First aid for children after domestic violence
- **Itzhak Lander – Sapir Academic College, Israel; Vered Slonim-Nevo – Ben Gurion University of the Negev, Israel**
  Using forgiveness therapy to heal intra-familial child abuse: A case study
- **Elly Voorintholt – Elker Youth Care Groningen, the Netherlands; Piet Strijker & Thirza van der Kamp – University of Groningen, the Netherlands**
  Treatment of chronically sexual abused girls aged 12-23
- **Mogens Christoffersen – Danish National Institute of Social Research, Denmark**
  Child maltreatment, bullying in school and social support: A socio-psychological study of self-esteem and suicidal behaviour, based on a national sample of young people

Free Paper Session 51: Children’s voices on residential care and education
Moderator: Sibylle Artz, Professor University of Victoria, Canada
Room 2
Time: 16.15h – 17.45h
Contributions:

- **Ulla Peters – University of Luxembourg, Luxembourg**
  Participation of youth in residential care. Findings from a representative study of youth in residential care in Luxembourg
- **Mercè Jariot, Josefina Sala & Montserrat Rodriguez – Autonomous University of Barcelona (AUB), Spain; Andreu Villalba – Fundacio Pere Tarres, Spain; Isabel Alvarez – AUB, Spain; Gemma Filella, Anna Solderilla & Xavier Oriol – University of Lleida, Spain; Antoni Peregrino & Nair Zarate – AUB, Spain; Maite Marzo – University of Ramon Llull, Spain**
  Residential foster homes in Catalonia: The view of young people who were fostered
- **Bernadette Tillard, Michèle Guigue, Delphine Bruggeman, Maryan Lemoine & Eric Leur – University of Lille 3, France**
  Impact of ‘Démission Impossible’ on the path of young women

Free Paper Session 52: Working with the life-space in child and youth care
Moderator: Eric Broekaert, Professor Ghent University, Belgium
Room 1
Time: 16.15h – 17.45h
Contributions:

- **Carol Stuart & Kiaras Gharabaghi – Ryerson University, Ontario, Canada**
  Re-visiting Life-Space Intervention, in light of the evidence
- **Bram Soenen & Annelies Volkaert – OC St-Idesbald Youth Care Roeselare, Belgium**
  Life space crisis intervention at the Orthopaedagogical Centre St-Idesbald: Implementation and research
- **Irene Stevens & Laura Steckley – University of Strathclyde, Scotland, UK**
  Holding the Space: An evaluation of a therapeutic intervention with children and young people in residential care
Free Paper Session 53: Working with (multi)cultural issues in care
Moderator: Johan Vanderfaeillie, Professor Free University of Brussels, Belgium
Room 4
Time: 16.15h – 17.45h
Contributions:

- Shlomo Romi & Simcha Getahun – Bar-Ilan University, Israel
  A multicultural reflection of role perception (conflict and ambiguity) among youth care
  workers in Israel
- Elisabetta Kolar & Marilena Sinigaglia – Ufficio Servizio Sociale Minorenni Trieste, Italy
  Evaluation of an intervention with ‘One and a half generations of minors from abroad’
- Rawan Ibrahim - University of East Anglia, England, UK
  The influence of a patriarchal culture and collective society on the transitional pathways of
  care leavers; a Jordanian experience

Workshop Session 54: Better outcomes by engaging youth
Moderator: Hubert Van Puyenbroeck, Principal Investigator Child and Family Agency
Brussels, Belgium
Room 6
Time: 16.15h – 17.45h
Contributions:

- Kim Snow – Ryerson University, Ontario, Canada; Sherry Mosko – Children’s Aid Society of Toronto,
  Ontario, Canada
  Change Agents: Working together to support the voice of youth
- AnnLoes van Staa – Erasmus University Rotterdam / Expertise Centre Transitions of Care, the
  Netherlands; Susan Jedeloo & Sander Hilberink – Erasmus University Rotterdam / Expertise Centre
  Transitions of Care, the Netherlands
  Activate! Tools and tricks to increase adolescent participation during consultations

Dinner and dance party
Location: Huize Maas, Vismarkt 52, 9711 KV Groningen
Time: 19.30h – 23.30h
Saturday, 25 September 2010

Arrival

Location: Martiniplaza Conference Centre, Leonard Springerlaan 2, 9727 KB Groningen
Time: 8.30h – 9.30h

Plenary programme

Plenary session VI: Interventions for children and young persons out-of-home

Moderator: Eric Broekaert, Professor Ghent University, Belgium

Room: Springerzaal, Martiniplaza Conference Centre
Time: 9.30h – 11.00h

Contributions:

- Robbie Gilligan – Professor Trinity College Dublin, Ireland
  Foster care and kinship care for vulnerable children and young people: Some key evidence and issues

- Jorge F. del Valle – Professor University of Oviedo, Spain
  Development and mental health of children in residential care

- Mike Stein – Professor University of York, England, UK
  Emily Munro – Research Associate Loughborough University, England, UK
  Young people’s transitions from care to adulthood: The challenges of making international comparisons

Coffee break

Room: Reception room, Martiniplaza Conference Centre
Time: 11.00h – 11.30h
Plenary programme (continued)

Plenary session VII: Inside out - closing  
Moderator: Hans Grietens, President EUSARF, Professor University of Groningen, the Netherlands
Room: Theatre Hall, Martiniplaza Conference Centre
Time: 11.30h – 12.00h
Contributions:

- Hans Grietens – Professor University of Groningen, the Netherlands
  Retrospective and prospective considerations

- Andrew Kendrick – Professor Universities of Strathclyde & Glasgow, Scotland, UK; Harriet Ward – Professor Loughborough University, England, UK
  Announcement of the 12th Biennial International EUSARF Conference 2012

- Ensemble Groningen Academy of Music
  Music

- Erik Knorth – Professor University of Groningen, the Netherlands
  Farewell

Optional

Guided walking tour through the Municipality of Groningen
Time: 14.00h – 16.30h
Guides: Hans Knot, Jana Knot-Dicksbeit, Judith Volker & Iris Willems
